On December 18, 2020 (the “Closing”), Clever Leaves International Inc., a corporation organized under the laws of British Columbia, Canada (“Clever Leaves”), and Schultze Special Purpose Acquisition Corp., a Delaware corporation (“SAMA”), consummated the business combination (the “Business Combination”) contemplated by the Amended and Restated Business Combination Agreement, dated as of November 9, 2020 (the “Business Combination Agreement”), by and among SAMA, Clever Leaves, the Registrant and Novel Merger Sub Inc., a Delaware corporation.

Pursuant to the terms of the Business Combination Agreement, at the Closing, each outstanding Clever Leaves option, whether vested or unvested, that was outstanding immediately prior to the Closing was, as of the Closing, converted (as converted, a “Converted Option Award”), in accordance with the calculation methodology set forth in the Business Combination Agreement, into an option award (x) exercisable for the aggregate number of Shares of the Registrant equal to the product (rounded down to the nearest whole number) of (i) the number of Clever Leaves common shares exercisable under the Clever Leaves option immediately prior to the Closing and (ii) 0.3288 (the “Exchange Ratio”) and (y) with a per share exercise price equal to the quotient (rounded up to the nearest cent) obtained by dividing (i) the per share exercise price under the Clever Leaves option immediately prior to the Closing by (ii) the Exchange Ratio. Each Converted Option Award is otherwise subject to the same terms and conditions (including any vesting requirements) set forth under the applicable award agreement in effect immediately prior to the Closing.

Item 4. Description of Securities

Not required.

Item 5. Interests of Named Experts and Counsel

None.

Item 6. Indemnification of Directors and Officers

Under the Business Corporations Act (British Columbia) (“BCA”), a company may indemnify a director or officer, a former director or officer, or a person who acts or acted at the company’s request as a director or officer, or an individual acting in a similar capacity, of another entity, which we refer to as an eligible party, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal, administrative, investigative or other proceeding in which he or she is involved because of that association with the company or other entity, if: (1) the individual acted honestly and in good faith with a view to the best interests of such company or the other entity, as the case may be; and (2) in the case of a proceeding other than a civil proceeding, the individual had reasonable grounds for believing that the individual’s conduct was lawful. A company cannot indemnify an eligible party if it is prohibited from doing so under its articles, even if it had agreed to do so by an indemnification agreement (provided that the articles prohibited indemnification when the indemnification agreement was made). A company may advance the expenses of an eligible party as they are incurred in an eligible proceeding only if the eligible party has provided an undertaking that, if it is ultimately determined that the payment of expenses was prohibited, the eligible party will repay any amounts advanced. On application from an eligible party, a court may make any order the court considers appropriate in respect of an eligible proceeding, including the indemnification of penalties imposed or expenses incurred in any such proceedings and the enforcement of an indemnification agreement.

The Registrant’s amended and restated articles (the “Articles”) require the Registrant to indemnify an eligible party and his or her heirs and legal personal representatives against all eligible penalties to which such person is or may be liable, and the Registrant must after final disposition of an eligible proceeding, pay the expenses actually and reasonably incurred by such person in respect of that proceeding. Each eligible party is deemed to have contracted with the Registrant on the terms of the indemnity contained in the Articles. Subject to the BCA, the Registrant may also indemnify any other person. In addition, the Articles specify that failure of an eligible party to comply with the provisions of the BCA or the Articles, or if applicable, any former legislation or articles, will not invalidate any indemnity to which he or she is entitled. The Articles also allow for the Registrant to purchase and maintain insurance for the benefit of specified eligible parties.

The Registrant entered into indemnity agreements with the Registrant’s directors and certain officers (the “Nominees”). Subject to certain limited exceptions, the indemnity agreements provide indemnification for all liabilities or obligations imposed upon or incurred by each Nominee and his or her heirs, executors, administrators and personal representatives (each, an “indemnitee” and, collectively, the “indemnitees”) at law, in equity or under any statute or regulation and all expenses in relation to any claim, action, proceeding, investigation, or order whether civil, criminal or administrative and whether made or commenced by any person by reason of: (i) the Nominee being or having been a director, alternate director, officer or a person in an equivalent position of the Registrant or any associated corporation (as defined in the BCA), or (ii) any act or omission, whether or not negligent, of the Nominee acting as a director, alternate director, officer or a person in an equivalent position of the Registrant or any associated corporation, including without limitation, legal fees and disbursements and all costs of investigation and defense incurred by the indemnitees as permitted by applicable law and pursuant to the indemnity agreement.

The Registrant may purchase insurance policies relating to certain liabilities that our directors and officers may incur in such capacity.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 8. Exhibits

The exhibits listed on the exhibit index at the end of this Post-Effective Amendment are included in this Post-Effective Amendment.

Item 9. Undertakings

(a) The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Post-Effective Amendment:
 - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of this Post-Effective Amendment (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Post-Effective Amendment; and
 - (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Post-Effective Amendment or any material change to such information in this Post-Effective Amendment.

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Post-Effective Amendment.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant’s annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan’s annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Post-Effective Amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) The undersigned Registrant hereby undertakes that, insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Dear Sirs/Mesdames:

Re: Clever Leaves Holdings Inc. – Registration Statement on Form S-8

We have acted as Canadian counsel to Clever Leaves Holdings Inc., a corporation organized under the laws of the Province of British Columbia, Canada (the “**Corporation**”), in connection with the filing of a Registration Statement on Form S-8 (the “**Registration Statement**”), with the Securities and Exchange Commission (the “**Commission**”) under the Securities Act of 1933 (the “**Act**”). The Registration Statement relates to the issuance of up to an aggregate of 783,640 common shares without par value in the capital of the Corporation (the “**Option Shares**”) issuable on exercise of certain options of the Corporation (the “**Options**”).

A. Documents Reviewed and Reliance

As Canadian counsel to the Corporation, we have participated in the preparation of and examined original executed or electronically delivered copies, which have been certified or otherwise identified to our satisfaction, of:

1. the Registration Statement;
 2. Clever Leaves’ 2018 Omnibus Incentive Compensation Plan (the “**Equity Plan**”); and
 3. resolutions of the director of the Corporation authorizing and approving the issuance of the Option Shares (the “**Authorizing Resolutions**”);
- collectively, the “**Transaction Documents**”.

We have also made such investigations and examined originals or copies, certified or otherwise identified to our satisfaction, of such certificates of public officials and of such other certificates, documents and records as we considered necessary or relevant for purposes of the opinions expressed below, including:

1. a certificate of good standing dated February 26, 2021 issued pursuant to the *Business Corporations Act* (British Columbia) relating to the Corporation; and
2. a certificate signed by the Chief Executive Officer of the Corporation addressed to our firm, certifying certain additional corporate information of a factual nature and attaching the Authorizing Resolutions (the “**Officer’s Certificate**”).

B. Laws Addressed

We are qualified to practice law in the Province of British Columbia and our opinion herein is restricted to the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

C. Assumptions

For the purposes of the opinions expressed herein, we have assumed, without independent investigation, the following:

1. with respect to all documents examined by us, the genuineness of all signatures, the authenticity, completeness and accuracy of all documents submitted to us as originals, the conformity to originals of all documents submitted to us as certified, conformed, telecopied, PDF or photocopied copies of originals and the legal capacity of individuals signing any documents;
2. the completeness, accuracy and currency of the indices and filing systems maintained at the public offices where we have searched or made relevant inquiries and of other documents and certificates supplied by public officials;
3. the Officer’s Certificate continues to be accurate on the date hereof;
4. all necessary consents, authorizations, approvals, permits or certificates (governmental or otherwise) which are required as a condition to the execution and delivery of each of the Transaction Documents by the parties thereto and to the consummation by such parties of the transactions contemplated thereby have been obtained; and
5. the minute books and corporate records of the Corporation made available to us are the original minute books and records of the Corporation and contain all of the articles and constating documents of the Corporation and any amendments thereto and all of the respective minutes, or copies thereof, of all proceedings of the shareholders and directors.

D. Reliance

For the purposes of expressing the opinions set forth herein, in connection with certain factual matters pertaining to this opinion, we have relied exclusively and without independent investigation upon the Officer’s Certificate.

E. Opinions

Based upon and relying on the foregoing and the qualifications hereinafter expressed, we are of the opinion that the Option Shares have been authorized for issuance and when issued in compliance with the provisions of the Equity Plan, including the receipt by the Corporation of any exercise price of the Options, the Option Shares will be validly issued, fully paid and non-assessable common shares in the capital of the Corporation.

F. Qualifications

Whenever our opinion refers to securities of the Corporation, whether issued or to be issued, as being “fully-paid and non-assessable”, such phrase means that the holders of such securities will not, after the issuance to them of such securities, be liable to pay further amounts to the Corporation in respect of the issue price payable for such securities, and no opinion is expressed as to the adequacy of any consideration received by the Corporation therefor.

For greater certainty, a specific assumption, limitation or qualification in this opinion is not to be interpreted to restrict the generality of any other assumption, limitation or qualification expressed in general terms in this opinion that includes the subject matter of the specific assumption, limitation or qualification.

We hereby consent to the reference to us under the heading “Legal Matters” in the Registration Statement and to the filing of this opinion as an exhibit to the Registration Statement. In giving this consent, we do not thereby admit that we are included in the category of persons whose consent is required under Section 7 or Section 11 of the Securities Act or the rules and regulations of the Commission promulgated thereunder.

The opinions are given as at the date hereof and we disclaim any obligation or undertaking to advise any person of any change in law or fact that may come to our attention after the date hereof. Our opinions do not take into account any proposed rules, policies or legislative changes that may come into force following the date hereof.

Very truly yours,
