**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On September 29, 2022, Clever Leaves Holdings Inc. (the “Company”) received a notice in the form of a letter (the “Notice”) from the Listing Qualifications department of The Nasdaq Stock Market (“Nasdaq”) notifying the Company that, based upon the closing bid price of the Company’s common shares for the 30 consecutive business day period between August 17, 2022 through September 28, 2022, the Company did not meet the minimum bid price of \$1.00 per share required for continued listing on The Nasdaq Capital Market pursuant to Nasdaq Listing Rule 5550(a)(2). The Notice also indicated that the Company may be granted an additional 180 calendar days, or until March 28, 2023 (the “Compliance Period”), to regain compliance pursuant to Nasdaq Listing Rule 5810(c)(3)(A).

The Notice has no immediate impact on the listing of the Company’s common shares, which will continue to be listed and traded on The Nasdaq Capital Market under the symbol “CLVR,” subject to the Company’s compliance with the other listing requirements of The Nasdaq Capital Market. The Company intends to actively monitor the bid price for its common shares and will consider available options to resolve the deficiency and regain compliance with the Nasdaq minimum bid price requirement.

In order to regain compliance with Nasdaq’s minimum bid price requirement, the Company’s common shares must maintain a minimum closing bid price of at least \$1.00 for a minimum of ten consecutive business days during the Compliance Period. As noted above, in the event the Company does not regain compliance by the end of the Compliance Period, the Company may be eligible for additional time to regain compliance. To qualify, the Company will be required to meet the continued listing requirement for market value of publicly held shares and all other initial listing standards for The Nasdaq Capital Market, with the exception of the bid price requirement, and will need to provide written notice of its intention to cure the deficiency during the second compliance period, by effecting a reverse share split, if necessary. If the Company meets these requirements, Nasdaq will inform the Company that it has been granted an additional 180 calendar days to regain compliance. However, if it appears to Nasdaq’s staff that the Company will not be able to cure the deficiency, or if the Company is otherwise not eligible, Nasdaq will provide notice that the Company’s common shares will be subject to delisting.
